

## Public Comments Requested for Section 106 Project in St. Joseph, MO

Subject: Section 106 Review  
2202 Felix Street  
St. Joseph, MO  
Buchanan County  
Demolition using CDBG Funds

According to the City of Saint Joseph's Fire Inspector, on July 16, 2018 a fire started in the attic and other spots. The fire burnt through roof with partial collapse on east side.

According to the City of Saint Joseph's Dangerous Building Inspector, the house still has a large hole in the roof and the owner has made no effort to make repairs.

Though the structure is older, St. Joseph Historic Preservation Staff determined that the property is not individually designated nor is it within a historic district though the 2200 block of Felix has potential to be listed as a district. Due to that fact, we have determined that demolition will cause an adverse effect to our historic resources.

Should you have any further questions or wish to comment on this project, please feel free to contact Lauren Manning at [lmanning@stjoemo.org](mailto:lmanning@stjoemo.org) by **5:00 pm on June 21, 2019**.
