

TRAFFIC COMMISSION AGENDA

February 9, 2022- 10:00 A.M.
Council Chambers – 4th Floor City Hall

Item 1 Approve December 8, 2021 meeting minutes.

Item 2 Discuss formal request received from Lanette and Thomas Mayse: Requesting a change to the posted “No Parking” along the east side of N 11th St., north of Highly St. to 200 feet to allow more parking. The change requested would decrease the posted reading by 33 feet, thus reading “No Parking” along the east side of N 11th St., from Highly St. north to 167 feet.

Item 3 Discuss formal request received from Joseph Turner with MoDOT: Requesting to install a set of “School Speed Limit Flashers” and accompanying traffic signing, to provide for a “school zone”. This is being done in response to several concerns, voiced by local citizens, regarding traffic speeds and safety along US-59 around Robidoux Middle School when students are arriving to and departing from school. The requested school zone will be 25 MPH along US 59, 384 feet south of Cook Road to 90 feet north of Maxwell Rd from 7:00-7:45 AM and 2:15-3:15 PM on school days.
