<b>MEMBERS ABSENT :</b>	Michael Veale	(04-02)	07/02/23
	Ronnie Swope	(01-01)	06/29/25
<b>STAFF PRESENT:</b>	Jim Haake, Chief Building Official Scott Helsel, Plumbing Inspector Mary Mathiot, Recording Secretary		

**Call to Order.**

Chairman Josh Hayes call the meeting to order at 4:00 pm.

**ITEM #1 – REVIEW TEST QUESTIONS**

Chairman Hayes started the meeting discussing that our test was good but need a few changes. First, Commercial Buildings in the Code Book talks about garbage disposals. The City of St Joseph does not allow garbage disposals in Commercial Buildings. Chairman Hayes stated that a page of City of St Joseph's policies be added to this drawing to see if it is caught, as there is no wrong answer on this drawing. To replace the boiler in the basement questions, a drawing to take off – trim package of a small house. Would only be one answer to this drawing. Jim Haake, Chief Building Official will work on the drawings. Another suggestion was to use PVC pipe and show the layout with at least one wet vent. Need to be able to identify the one plumbing and new plumbing items. IAMPO and the City of Kansas City has similar test like ours. Except City of Kansas City's test is open book with math questions and is harder to pass. Feel like ours is good shape but the drawings Are updated to the current code. Want the test to be attainable and how knowledgeable the applicate is on his trade.

**ITEM #2 – RESULTS OF PLUMBING TEST, JANUARY 12, 2020**

Robert Miller and Rex Jones II both took the test and passed. Both have also picked up their new licenses.

The meeting was adjourned at 4:47 pm, by Jim Hoover and 2<sup>nd</sup> by Brian Weets.

Minutes respectfully submitted,  
 Mary Mathiot, Permit Clerk
